To whom this may concern:

Here is all the paperwork that we obtained before tearing down the IGA Store in rapid river. We had the delta county landfill come out and inspect the property for hazardous materials . He told us to remove the wall thermostat (which we still have), all florescent light fixtures and bulbs (bulbs went to TKL repair to be used in their shop and the ballasts went to Coplans, all the paints and cleaners we also removed). We were never informed that we needed to get ahold of anyone else since the building did not contain asbestos. It was brought to our attention after the building was down that we needed to have it inspected by the DEQ. Max Constantino brought material to his near by residence to sort wire, metal and debris for the landfill as the lot the IGA was built on is smaller than the building itself. With the close proximity to US2 and the attention It brought from the public we felt that removing it and taking it somewhere else was a safer bet.

The violation occurred on July 30th 2017. It was unknow by both parties that any laws were being broken. The demolition took approximately 9 hours to complete. Included is the manifest from the wood island landfill, to correct the violation the day after meeting with Joseph. To prevent any reoccurrence we will not be rehabilitating anymore blight properties as the risk outweighs the reward.

Enclosed are the following documents: inspection from dswma, receipt from Coplan's disposing of some metal and ballasts, and the wood island landfill manifest.

Breanne:

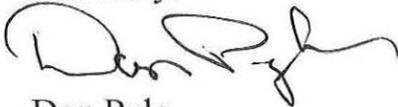

I have done the inspection of the old Rob's Grocery in Rapid River on US 2 and the entire building can come into the landfill.

Please remove the thermostat on the wall at the checkout counter and all florescent light fixtures and bulbs. Also please remove the paints and cleaners in the building and any other liquids you find. Please recycle as much of the metal items like freezers and coolers as possible.

Included is your receipt for the inspection.

If you have any questions or need any help, please give me a call.

Sincerely:

Don Pyle
Manager
