Inspection Summary

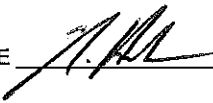

This McDonalds was rebuilt or remodeled approx. 10 years ago. Lafaye stated she had only been employed at this location for 4 months but was unaware of an incinerator. She and I walked the building and could not find

evidence of an incinerator. There was not a stack visible from the exterior. I feel comfortable stating this device has been removed and the permit is no longer valid.

The notice of voidance will be sent to:

Mr. Samuel J. Cox
3060 Miller Road
Flint, MI 48507

This report will be used to void permit 97-711 in accordance with MDEQ memo Procedure for Voiding Permits to Install, dated June 7, 1999.
