

To - Monica.

I am writing in regards to a violation that you sent us, we burn our papers in a Bin that's here frozen doing that for even when the old owners owned it I've never had a problem with you on this there is people up and down this road that burn there garbage in burn barrels next door does it people on the burn in their barrels we can put mesh over the Bin if you want, we haven't done anything any diff then we have in last 16 years. if I cant burn then no one down here should be burning, EITHER, cant make one if you continue to allow others to burn, like I said BEEN same way 4 16 yrs)

Thank you
