The alleged violations occurred during the asbestos demolition/renovation at 611 East Grand River Avenue, Howell, Michigan. Specifically, EGLE alleges that the Company failed to notification prior to renovation, as specified in a Violation Notice dated March 9, 2022. The Company and EGLE stipulate to the termination of this proceeding by entry of this Consent Order.

7. The USEPA has delegated authority for administration and enforcement of NESHAP asbestos regulations to EGLE-AQD. This authority was granted in an April 11, 1988, letter from Valdus Adamkus (USEPA Regional Administrator) to Robert Miller (AQD).

8. The termination of this matter by a Consent Order pursuant to Section 5528 of Part 55 is proper and acceptable.

9. The Company and EGLE agree that the signing of this Consent Order is for settlement purposes only and does not constitute an admission by the Company that the law has been violated.

10. This Consent Order becomes effective on the date of execution (effective date of this Consent Order) by the AQD Director.

11. The Company shall achieve compliance with the aforementioned regulations in accordance with the requirements contained in this Consent Order.
