Dear Mr. Enright:

VIOLATION NOTICE

On May 28, 2020, AQD staff observed open burning of refuse and other waste material at Enright Construction's facility at 321 US 41, Negaunee Township.

This constitutes a violation of Rule 310 of the administrative rules promulgated under Act 451, which prohibits open burning of refuse, garbage, or any other waste material at any business or commercial operation.

In order to comply with Rule 310, Enright Construction is advised to immediately discontinue any open burning.

EGLE encourages the reuse and the recycling of wastes whenever possible. However, any waste that cannot be reused or recycled must be properly disposed of in accordance with Part 115, Solid Waste Management, Section 11512(1) of Act 451. Additionally, if Enright Construction decides to incinerate their waste, it must be incinerated in a properly designed incinerator. An approved permit must be obtained from EGLE before commencing installation of any incinerator. An application form is available by request, or at the following website: www.michigan.gov/air (in the shaded box on the upper right-hand side of the page)

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by June 29, 2020 (which coincides with 21 calendar days from the date of this letter). The written response should include: the dates the violation occurred; an explanation of the causes and duration of the violation; whether the violation is ongoing; a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and what steps are being taken to prevent a reoccurrence.

Please submit the written response to EGLE, AQD, Marquette District, at 1504 West Washington Street, Marquette, Michigan 49855 and submit a copy to Ms. Jenine Camilleri, Enforcement Unit Supervisor at EGLE, AQD, P.O. Box 30260, Lansing, Michigan 48909-7760.

If Enright Construction believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position.

Thank you for your attention to resolving the violation cited above and for the cooperation that was extended to me during my inspection of Enright Construction. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,
