ATTENTION: Ms. Geraldine McDonagh:

This letter is to advise you of the commencement of escalated enforcement action against McDonagh Demolition (Company) for alleged violations that occurred at 6126, 6415, 6432, and 6433 Iroquois Avenue, in Detroit, Michigan. This letter follows the March 27, 2019 and April 25, 2019, Violation Notices issued by the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) which details violations of the National Emission Standards for Hazardous Air Pollutants for asbestos (Asbestos NESHAP), Title 40 of the Code of Federal Regulations, Part 61, Subpart M; and Rule 942 of the Michigan Air Pollution Control Rules, Mich Admin Code, R 336.1942. Be advised that failure to respond to this Enforcement Notice in a timely manner and adequately resolve or address the cited violations may result in further enforcement proceedings, including but not limited to, referral of the matter to the Michigan Department of Attorney General (DAG) for commencement of civil litigation.
