

NOTICE of AIR PERMIT COMMENT PERIOD and PUBLIC HEARING

The Michigan Department of Environment, Great Lakes, and Energy (EGLE) is holding a public comment period and a virtual public hearing, to allow the public the opportunity to comment on the proposed conditional approval of an air permit.

There is a public comment period from June 21, 2023, until August 7, 2023, and a virtual public hearing, on July 27, 2023 for:

Company: AmeriTi Manufacturing LLC located at 19300 Filer Avenue, Detroit, Michigan

What AmeriTi Manufacturing LLC wants to do: Application No. APP-2022-0124 is for the modification of their existing permit to:

- Increase the allowed metal throughput for their existing powder manufacturing process.
- Replace some existing control devices.

The public comment period and public hearing are to allow all interested parties the opportunity to comment on the proposed conditional approval of a Permit to Install (PTI).

It has been preliminarily determined that the permit modifications will not violate any of EGLE's rules nor the National Ambient Air Quality Standards.

Provide comment in any of these ways by August 7th:

- **By email:** EGLE-AQD-PTIPublicComments@Michigan.gov
- **By voicemail:** 517-284-0900
