

GRETCHEN WHITMER
GOVERNOR

STATE OF MICHIGAN
DEPARTMENT OF
ENVIRONMENT, GREAT LAKES, AND ENERGY
LANSING

PHILLIP D. ROOS
DIRECTOR

September 6, 2023

Dear Interested Party:

We are sending you this information because you may have an interest in air quality related activities associated with Cecil Composites, LLC. Cecil Composites has submitted an air permit application, No. APP-2023-0168, for modifications to the exhaust stack parameters for the existing fiberglass composite pole manufacturing process located at 151 Lafayette Street in Mt. Clemens, Michigan. The company is not requesting any increase in emissions or the installation of any additional process equipment.

The law requires the Michigan Department of Environment, Great Lakes, and Energy (EGLE) to open some actions for the public to comment on, such as what Cecil Composites, LLC is requesting. Public comments are a very important part of making sure the application has been thoroughly reviewed.

Information about the air permit application, such as the summary of the proposed project, the proposed permit conditions, and the fact sheet containing the regulatory analysis of the proposed permit conditions are available to review. This information, as well as what we can consider in our decision, may be found at Michigan.gov/EGLEAirPublicNotice and select "[Applications Open for Comment](#)", or you may contact me for printed copies.

If you decide to comment on this proposed air permit, you may submit comments a variety of ways by October 21, 2023:

E-mail your comment to EGLE-AQD-PTIPublicComments@Michigan.gov

Mail your comment to Michigan Department of the Environment, Great Lakes, and Energy (EGLE), Air Quality Division, Permit Section, P.O. Box 30260, Lansing, Michigan 48909-7760.

Leave us a voicemail comment by calling 517-284-0900.

At the public hearing, if held.

Please note, for this public comment period, a public hearing must be requested.

You may request a public hearing be held, in writing, to the email or address above by October 2, 2023. If requested, the virtual informational session and public hearing will be held on October 10, 2023.

Interested Party

September 6, 2023

The meeting will begin at 6pm, with a brief presentation about the proposed project and air permit and will include an opportunity for the public to ask questions of EGLE staff. The public hearing will be immediately following to take official comments on the record. You may contact me at 517-582-5117 on October 3, 2023, to determine if a hearing was requested and will be held.

The AQD will review and consider all comments received during the comment period before making the final decision, and a written response and a copy of the decisions made about the proposed permit will be provided to you.

If you have any questions, please feel free to contact me.

Sincerely,

Jeff Khaled, P.E., Environmental Engineer
Permit Section
Air Quality Division
