**New Source Review Permits Open for Comment**

The following air permits are open for comment:

- **Edw. C. Levy Co. – APP-2023-0070**
- **Indeck Niles, LLC – APP-2022-0265**
- **EES Coke Battery, Dearborn Industrial Generation, LLC (DIG), and US Steel**

### Submitting Comments

#### Types of Documents

- **Edw. C. Levy Co. – APP-2023-0070**

EGLE is holding a public comment period regarding Edw. C. Levy Co.’s proposed Permit to Install from **August 9 until September 22, 2023**, with a virtual public hearing if requested on **September 13, 2023**. The company is requesting to install a blast furnace slag grinding plant.

**A virtual informational session and public hearing, if requested,** will be held on September 13, 2023, starting at 6:00 p.m. If the hearing is requested, the virtual hearing portion will be solely for the purpose of taking testimony on the record and will only be held if requested in writing by **September 6, 2023**. To request the virtual public hearing in writing, you may send an email or mail the written request.

As part of EGLE’s **Limited English Proficiency Plan**, some information related to the proposed permit has been translated into Spanish and included in the documents below. To learn more about the public hearing process, view the “**Public Hearings - What You Should Know**” document. To tell us what you think, you may click the “Submit Comment” button or submit your comment in a **variety of other ways**.

### Documents

- **Proposed Project Summary**
- **Technical Fact Sheet**
- **Notice of Air Permit Comment Period and Public Hearing**
- **Proposed Permit Terms and Conditions**
- **Company Letter**
- **Interested Party Letter**

If you need this information in an alternate format, contact **EGLE-Accessibility@Michigan.gov** or call 800-662-9278.
Indeck Niles, LLC – APP-2022-0265

EGLE is holding a public comment period regarding Indeck Niles, LLC proposed Permit to Install from July 27 until September 11, 2023, with a virtual public hearing if requested on September 6, 2023. The company is requesting to change existing permit conditions to reflect equipment actually installed as well as to lower current permitted emission limits.

A virtual informational session and public hearing, if requested, will be held on September 6, 2023, starting at 6:00 p.m. If the hearing is requested, the virtual hearing portion will be solely for the purpose of taking testimony on the record and will only be held if requested in writing by August 30, 2023. To request the virtual public hearing in writing, you may send an email or mail the written request.

To learn more about the public hearing process, view the “Public Hearings - What You Should Know” document. To tell us what you think, you may click the “Submit Comment” button below or submit your comment in a variety of other ways.

EES Coke Battery, Dearborn Industrial Generation, LLC (DIG), and US Steel

EGLE is holding a public comment period regarding EES Coke Battery (APP-2022-0290), Dearborn Industrial Generation, LLC (DIG) (APP-2023-0033), and US Steel (APP-2023-0066) from July 12 to August 28, 2023, with a virtual public hearing if requested on August 15, 2023. The purpose of these permitting actions is to add the sulfur dioxide (SO₂) emission limits from the USEPA Federal Implementation Plan (FIP or Federal Plan) into the appropriate air permits.

A hearing will not be held as it was not requested. The public comment period remains open, and comments are welcome until August 28, 2023.

The permit modifications require revisions to the Renewable Operating Permit (ROP) for each facility: EES Coke and US Steel (A7809, ROP No. 199600132d) and DIG (N6631, ROP No. MI-ROP-N6631-2012a). This public comment period meets the public participation requirements for future administrative amendments to the ROPs.

Submitting Comments

Interested individuals may provide verbal comments during a public hearing. However, this is not the only way to tell us what you think. Official comments may be submitted in a variety of ways:

- E-mail your comment using the “Submit Comment” link above or by sending it to EGLE-AQD-PTIPublicComments@Michigan.gov. Before submitting a comment ensure the e-mail message looks similar to this e-mail example. Its appearance may vary depending on which e-mail program you use.
- Mail your comment to Michigan Department of the Environment, Great Lakes, and Energy (EGLE), Air Quality Division, Permit Section, P.O. Box 30260, Lansing, Michigan 48909-7760.
- Leave us a voicemail comment by calling 517-284-0900.
- At a public hearing, if held (in person or virtual).

EGLE promotes the equitable treatment and meaningful involvement of Michigan’s residents regarding the development, implementation, and enforcement of laws, regulations, and policies. Equitable treatment means that no group of people bears a disproportionate share of the negative consequences resulting from governmental, industrial, or commercial operations and policies. Meaningful involvement means all people have an opportunity to participate in decisions that affect their environment and/or health.

EGLE does not discriminate on the basis of race, sex, religion, age, national origin, color, marital status, disability, political beliefs, height, weight, genetic information, or sexual orientation in the administration of any of its programs or activities, and prohibits intimidation and retaliation, as required by applicable laws and regulations.
