| SUBJECT: Scheduled inspection of this minor source. | | |
| RESOLVED COMPLAINTS: | | |

Inspected this minor source pursuant to General Permit to Install 169-06 and Permit to Install 619-93. The General Permit is for a paint burn off oven and 619-93 is for both the paint burn off oven and a wet paint booth. The entire facility has not been in operation in over 12 months. The wet paint booths and burn off oven have been removed. Facility staff indicated they would like to void the current air permitting. Information on how to request this was provided.
