List of Partial Compliance Evaluations :

Activity Date	Activity Type	Compliance Status	Comments
05/19/2022	MAERS	Compliance	Facility provided emissions calculations were not accessible. Staff uploaded a copy of the emission calculations provided by the facility. Emission changes from previous year track approximately to the change in material throughput. Submittal appears to account for all applicable emission units and emissions.
04/22/2022	On-site Inspection	Compliance	FY 22 Compliance Inspection
