Dear Dr. Churchill:

SECOND VIOLATION NOTICE

On May 6, 2015, the Department of Environmental Quality (DEQ), Air Quality Division (AQD), sent the VA Medical Center (Facility) a Violation Notice citing violation of Air Pollution Control Rule 2 (Michigan Administrative Code R 336.202) for non-submittal of the 2014 Michigan Air Emissions Report, and requested your written response by May 20, 2015. A copy of that letter is enclosed for your reference. As of this date, the DEQ, AQD, has not received your response.

Please be advised that failure to respond in writing and identifying actions the Facility will take or has taken to resolve the cited violation may result in escalated enforcement action by the AQD. Please provide the information requested in our May 6, 2015, letter by October 1, 2015, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit the DEQ's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding the violation or the actions necessary to bring the Facility into compliance, please contact me at the telephone number listed below.

Sincerely,

Rex I. Lane
