RE: Violation Notice - 445 State Street, 444 Michigan Ave., and 1365 Cass Ave.,

Dear Ms. Koster:

AT&T Communications of Michigan, Inc. (AT&T) currently owns and operates a multi-building campus under the Department of Environmental Quality (DEQ), Air Quality Division (AQD) jurisdiction. On August 12, 2016 an inspection was conducted by AQD at this campus. On October 20, 2016 a Violation Notice was drafted by AQD. AT&T acknowledges receipt of this notice and is currently working on gathering information for a formal response. Upon completion of the initial research AT&T will provide a deadline to ADQ for resolution of any outstanding issues. Our goal to have the anticipated deadline to ADQ prior to End of Business on Monday, February 27, 2017.

Your patience in regards to this matter is appreciated. If you have any questions, suggestions, or concerns please do not hesitate to contact Liz Welch at (214) 741-0351 or via email at g43913@att.com.

Sincerely,
