SUBJECT: Scheduled inspection of this minor source.		
RESOLVED COMPLAINTS:		

**Attempted to inspect this facility pursuant to Permit to Install Number 573-91. The permitted equipment is no longer on site. The facility is now an Admiral gas station. A check with MDEQ Remediation and Redevelopment staff confirmed that the equipment had been removed, although they were not sure when, and the permit should be voided. It is recommended that this permit be voided.**
