Subject: Detroit Steel Treating Air Permit

SRN: N5551

Adam,

In reference to the air permit violation, I have submitted another request for a permit to which Sue Thelen received on Feb. 26, 2018. I have also found the original permit that was issued on May 9, 1996 and I e-mailed you a copy of that permit #219-96. Let me know if you have any further questions
