**Re: Response to Violation Notice dated October 23, 2017**

Dear Ms. Kavanaugh Vetort,

Lotus Engineering, Inc. (LEI) is in receipt of a Violation Notice (VN) issued by the Michigan Department of Environmental Quality (MDEQ), Air Quality Division (AQD). The VN is dated October 23, 2017 and cites LEI's failure to submit our semi-annual monitoring and deviation report for the period January 1 through June 30, 2017.

LEI has completed and enclosed the missing report which should satisfy the requirement of the VN.

Please contact me at (734) 995-2544 if you have questions regarding this correspondence.

Sincerely,

Tim Holland  
Lotus Engineering, Inc.
