Attn: April Lazzaro, Senior Environmental Quality Analyst

Re: Violation Notice Dated April 1, 2024

Dear April:

This communication is in response to a Violation Notice letter dated April 1, 2024 indicating that EGLE had not yet received Worthen Coated Fabrics' 2023 Annual Compliance Certification Report and 2<sup>nd</sup> Half 2023 Monitoring and Deviation Reports. Original-ink signed copies of the Reports are being submitted today via certified mail, return receipt requested to EGLE. A courtesy copy will be sent to you via e-mail. The NESHAP OOOO 2<sup>nd</sup> Half 2023 Semi-Annual Compliance Report has been filed in EPA's CEDRI reporting system as required.

Please contact Andrea Russell of POWER Engineers at [andrea.russell@powereng.com](mailto:andrea.russell@powereng.com) with any questions or comments, or if any further information is needed to resolve the Violation Notice.

Sincerely,

A handwritten signature in blue ink that reads "Pamela Doyon" followed by the date "4-22-24".

Pamela Doyon  
Corporate Environmental Engineer  
Worthen Industries
