Dear Randy Johnson:

SECOND VIOLATION NOTICE

On May 6, 2021, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD) sent a Violation Notice (VN) to D & D Amalgamated Services for failing to submit the 2020 Michigan Air Emissions System (MAERS) report by May 20, 2021. A copy of this VN has been enclosed for your reference.

Please be advised that failure to submit the requested MAERS report may result in an escalated enforcement action by the AQD. Please provide the information requested in the VN dated May 6, 2021, by July 1, 2021, which corresponds to 14 days from the date of this letter.

Be further advised that issuance of this Violation Notice does not preclude or limit EGLE's ability to initiate any other enforcement action under state or federal law as appropriate.

If you have any questions regarding this matter or the actions necessary to come into compliance, please contact me at the number listed below.

Sincerely,
