Ms. Cindy Harrison, President/CEO
Straits Federal Credit Union
201 Locust Street
P.O. Box 367
Cheboygan, MI 49721

SRN: U161412036, Cheboygan County

Dear Sir and Madam:

VIOLATION NOTICE

On October 1, 2014, the Department of Environmental Quality (DEQ), Air Quality Division, received verbal notification that demolition activities of the Straits Federal Credit Union, 201 Locust Street, Cheboygan, Michigan had been initiated without the required 10 business day (14 calendar day) notification. Mr. Robiadek was notified of this requirement in electronic communications on September 23, 2014, as well as during a telephone call on September 24, 2014, at which time Mr. Robiadek was told that the demolition could not begin any sooner than October 3, 2014, or the work would be in violation of requirements of Title 40 of the Code of Federal Regulations, Part 61, Subpart M (National Emission Standard for Asbestos), and Rule 942 of Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

Electronic notification of the violation was sent to Mr. Robiadek on October 1, 2014, and a site visit was conducted on October 6, 2014 by AQD Asbestos Program Staff to confirm the extent of demolition activities.

According to information provided in the notification of intent to demolish/renovate submitted for the demolition activities, Straits Federal Credit Union is the Owner/Owner Contact for the structure. Robiadek & Son Excavating, Inc. was the contractor for demolition activities. The National Emission Standard for Asbestos holds both the owner and operator equally liable for violations.

During the inspection, staff observed the following:

Process Description	Section Violated	Comments
Commercial Demolition Activities	§61.145(b)(1)	Failure to provide 10 working day notification

Please initiate actions necessary to correct the cited violation and submit a written response to this Violation Notice by October 28, 2014 (which coincides with 21 calendar days from the date of this letter). The written response should include a letter indicating:

- the dates the demolition/violation occurred;
- an explanation of the causes and duration of the violation;
- a summary of the actions that have been taken and are proposed to be taken to correct the violation and the dates by which these actions will take place; and
- what steps are being taken to prevent a reoccurrence.

If either party believes the above observations or statements are inaccurate or do not constitute violations of the applicable legal requirements cited, please provide appropriate factual information to explain your position. Please be aware that this violation may go to enforcement for further actions.

Thank you for your attention to resolving the violation cited above. If you have any questions regarding the violation or the actions necessary to bring this facility into compliance, please contact me at the number listed below.

Sincerely,

Sharon G. LeBlanc
Environmental Quality Analyst
Air Quality Division
