Mr. Gentle,

Kember Kreative Interiors was contacted by AQD regarding violation U26070242 that was cited on a December 1, 2020 inspection. Rule 310 of Act 451 was cited; open burning of waste materials at any business or commercial operation. This letter is to address that violation and the steps that will be taken to rectify the situation.

Kember Kreative Interiors is in the process of purchasing a tub grinder to grind the end trims from the wood flooring manufacturing process that Kember has previously been burning. The grindings will be sold to Republic Services for use in their landfill facilities.

Please contact me if you have further questions.

Sincerely,

Dustin Hanson
