Dear Mr. Jiddou:

SUBJECT: Consent Order AQD No. 42-2016, Stipulated Fines

On February 21, 2017, the Department of Environment, Great Lakes, and Energy (EGLE), formally the Department of Environmental Quality (DEQ), Air Quality Division (AQD), and SJ Design & Construction, LLC (Company) entered into a Stipulation for Entry of Final Order by Consent (Consent Order) AQD No. 42-2016, to resolve violations of Section 112 of the federal Clean Air Act (CAA), 42 USC 7412, the federal National Emission Standards for Hazardous Air Pollutants (NESHAP), Title 40 of the Code of Federal Regulations (CFR), Part 61, Subpart M; Part 55, Air Pollution Control, of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended, MCL 324.5501 *et seq.*, and Mich Admin Code, R 336.1942. In a Violation Notice (VN) dated August 6, 2019, the AQD cited the Company for violating terms and conditions of the Consent Order.

Paragraph 12 of Consent Order AQD No. 42-2016, in part, puts forth the following conditions:

“On and after the effective date of this Consent Order, the Company shall fully comply with the National Emission Standards for Hazardous Air Pollutants (NESHAP), Title 40 of the Code of Federal regulations (CFR) Part 61, Subpart M...”

Furthermore, Paragraph 15 of the Consent Order AQD No. 42-2016 reads, in part:

“On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 12 of this Consent Order, the Company is subject to stipulated fines of up to \$10,000.00 per violation.”

The Company failed to respond to requests from EGLE to provide a response to the VN. After reviewing the VN, the AQD has determined the amount of stipulated fines to be \$10,000.00.
