Dear Mr. Jones, Ms. Daniels and Mr. Crawford:

VIOLATION NOTICE

On February 26, 2020, the Department of Environment, Great Lakes, and Energy (EGLE), Air Quality Division (AQD), conducted an inspection of the properties located at:

- 266 W. Nevada, Detroit SRN: U822001111
- 4723 Canton, Detroit SRN: U822001112
- 4729 Canton, Detroit SRN: U822001113

The purpose of the inspection was to determine compliance with the requirements of Title 40 of the Code of Federal Regulations (CFR), Part 61, National Emission Standards for Hazardous Air Pollutants (NESHAP), Subpart M and Rule 942 of the administrative rules promulgated under Part 55, Air Pollution Control of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended.

According to our investigation, the properties are owned by the Detroit Land Bank Authority and were demolished by J. Keith Construction, LLC. The NESHAP for Asbestos holds both owners and operators liable for violations.

During the inspections, AQD staff noted that a notice of intent to renovate/demolish was not submitted for the above residential properties prior to demolition. The notifications should have been submitted as soon as possible to the AQD prior to the demolition of the structures.
