Dear Mr. Holmberg:

SUBJECT: Consent Order AQD No. 15-2013, Stipulated Fines

On October 2, 2013, the Michigan Department of Environment, Great Lakes, and Energy (EGLE), formally the Michigan Department of Environmental Quality, Air Quality Division (AQD), and Quality Environmental & Demolition, LLC (Company) entered into a Stipulation for Entry of Final Order by Consent AQD No. 15-2013 (Consent Order), to resolve violations of the National Emission Standards for Hazardous Air Pollutants (NESHAP), Title 40 of the Code of Federal Regulations (CFR), Part 61, Subpart M; and Mich Admin Code, R 336.1942. In a Violation Notice (VN) dated November 30, 2021, the AQD cited the Company for violating terms and conditions of the Consent Order.

Paragraph 12 of the Consent Order, in part, puts forth the following conditions:

“On and after the effective date of this Consent Order the Company shall fully comply with the asbestos NESHAP and with Michigan Administrative Code (MAC), 2008 AACCS, R 336.1942 (Rule 942)...”

Furthermore, Paragraph 15 of the Consent Order reads, in part:

“On and after the effective date of this Consent Order, if the Company fails to comply with paragraph 12 of this Consent Order, the Company is subject to stipulated fines of up to \$10,000.00 per violation per day.”

After reviewing the VN and the Company’s response to the violations, the AQD is using enforcement discretion and is demanding a stipulated fine of \$3,500 per violation for a total stipulated fine of \$10,500.

Mr. Tom Holmberg

Additionally, a stipulated fine was issued to the Company on November 22, 2016, due to the enclosed VNs dated August 15, 2016, and September 16, 2016. The total stipulated fine issued for these VNs was \$10,000. EGLE received partial payments of \$5,000 and \$2,500 on December 12, 2016, and January 12, 2017, respectively. This has left a remaining balance of \$2,500.

The Company is hereby requested to submit the stipulated fines of \$13,000 in accordance with the provisions of Paragraph 15 of the Consent Order by February 11, 2022. To ensure proper credit, all payments shall include the Payment Identification No. AQD40021-S on the face of the check. Stipulated fines submitted under this Consent Order shall be made by check, payable to the "State of Michigan" and mailed to the Michigan Department of Environment, Great Lakes, and Energy, Accounting Services Division, Cashier's Office, P.O. Box 30657, Lansing, Michigan 48909-8157.
